Minutes

Agenda item: Go over slides and add on to the slides we have already can we try to connect the slides to the scenario and get our sources together.   **Presenter:** Shafie

Discussion:

So we first split the rest of the slides up into groups of 4 and then try to read over the slides we had already. We had a little debate on how to use the future capabilities in order to connect to the scenario

Conclusions:

We fixed the slides and then split up the work.
